Water Absorption	10-15%	ASTM C373
Scratch Hardness	6	Mohs Scale

Shade & Texture Index

Handwritten has a shade variation of V3.

V1

V2

V3

V4

V1 Uniform appearance

V2 Slight Variation

V3 Moderate Variation

V4 Substantial Variation

This tile product is produced with a V3 variation. Expect that the amount of color and texture on each piece may vary significantly. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

Application Areas

Finish	Interior Floors (dry)	Interior Walls (wet/dry)	Exterior Walls	Interior Floors (Standing water/shower floors)	Exterior/Paving	Pool/Fountain Full Lining**	Water Line Pool/Fountains

Recommended Use

Crossville® recommends Handwritten tile for interior vertical surfaces in all residential and light commercial applications. Applications may include light-duty bathroom walls, vanity tops, kitchen backsplashes, and light duty kitchen countertops.

Handcrafted Variation

Handwritten tiles are manufactured to appear handmade. Due to this handmade appearance, variations in size, thickness, flatness and color are to be expected. Therefore, blending the tile before and during installation is recommended.

Information listed here is subject to change. Please refer to Crossville.com for the latest, most accurate information.

Care and Maintenance

Regular cleaning is the best way to keep Handwritten tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville® products is available at Crossville.com.
